WORK EXPERIENCE

12/2018-present

Socio-Economic Analyst

European Commission – DG Employment, Social Affairs and Inclusion, Brussels (Belgium)

Draft the 2019 annual report on Employment and Social Developments in Europe (ESDE), chapter on social investment, with a focus on skills.

Contribute to the 2018 ESDE report, chapters on: “A new labour market with new working conditions: future jobs, skills and earnings” and “Access and sustainability of social protection in a changing world of work”

Represent DG EMPL in the series of inter DG meetings on the Horizon Europe (HE) research framework program. Collect input from all interested units within the DG and influence the interinstitutional discussions concerning the legal bases and the research areas to be covered. Responsible of co-chairing the cluster on “Culture, creativity and Inclusive Society” in Horizon Europe. Provide statistical and content support on labour mobility files in DG EMPL.

Manage the project “Measuring Labour Mobility and Migration Using Big Data”, which aims at developing a method to measure migration flows and stocks within the EU based on data from social media

Renew the contract with the OECD on “Tax Burdens, Benefit Adequacy and Work Incentives”.

Use the tax-benefit model for benchmark calculations unemployment benefits and minimum income.

04/2016-09/2018

Policy Analyst

FGB, Fondazione Giacomo Brodolini, Brussels (Belgium)

Conduct economic research, draft technical notes and publications on European labour markets and social policies (e.g. for Bertelsmann Stiftung), impact assessments of new pieces of legislation at European (e.g. for ETUC) and national (e.g. for ECE network) level, use of ESF funds (within FGB framework contract with DG EMPL), and European industrial relations (e.g.: for EIRO network)

Draft Policy Briefs and policy evaluation reports based on quantitative research on Vocational Education and Training, Skills governance, Skills anticipation and forecasting, adult learning, and future trends in occupational groups within the framework contract for Cedefop

Draft tenders and proposals targeting open calls in the fields of Education and Training, VET, New Skills Agenda, Labour market policies, labour law, and social policies; support the creation of consortia with complementary strengths to win the competitions; find and contact country and thematic experts fitting the profiles requested; management of the budget

Conduct interviews with EU institutions, national and regional authorities, public and private stakeholders, and umbrella organizations at European level

09/2015-03/2016

Programme Assistant

European Policy Centre, Brussels (Belgium)

Monitor and analyse the latest developments in European labour market policies and reforms (with a focus on youth unemployment and NEETs), training, and on digital single market strategy

Devise, propose and arrange conferences, workshops and meetings on these topics; prepare briefings and presentations on key findings for the abovementioned events

Collect data and coordinate research of a European consortium on the evaluation of the Youth Guarantee program, draft an analytical report on its implementation in European member states

Conduct interviews with national authorities to draft fiches

- 03/2015–07/2015 **Blue Book Trainee**
European Commission – DG Employment, Social Affairs and Inclusion, Brussels (Belgium)
- Track and evaluate the labour market policy and legislation developments adopted in Europe in the LABREF database (a unique collection), maintain the OECD-EC tax and benefit database
- Conduct research and write national and EU fiches on: unemployment benefits benchmarking, minimum wage, and reforms in specific Member States (BG, SK, EL, and HR)
- Evaluate labour market developments in the EU, and ensuring that analytical insights feed into the “European Semester”, in particular the staff working documents
- Draft of the 2015 annual report on labour market and wage developments in Europe
- 06/2013–02/2015 **Project Coordinator**
MFG Innovation Agency for Media and Creative Industries, Stuttgart (Germany)
- Selected as one of 67 University of Turin graduates through the program Master dei Talenti, which aims at providing highly formative traineeships in foreign countries for the best performing students of the universities in Piedmont Region (north-west Italy)
- Work as project coordinator of the European Creative Cluster Lab (ECCL) project, a project co-financed by the European Commission, focused on testing and experimenting innovative creative cluster management styles, instruments and infrastructures. The tasks include organizing the work flow for the whole multi-disciplinary team of the consortium (five agencies in different European countries), monitoring performances and delivery of outputs, build relationships with relevant stakeholders, maintaining project budget and manage the stream of information within the consortium and with other organizations and companies.
- Analyse the current status of creative clusters in Europe and devise new training tools and methodologies to help them in order to tackle their main challenges regarding strategy development, exploitation of cross-sector collaboration business opportunities (especially with companies coming from the traditional sectors), internationalization of the cluster, incubation, collaboration processes among the members, and use of social media
- Devise a peer to peer learning platform for cluster managers, with the aim of tackling the most urgent and specific issues that cluster managers face on a daily basis. Meetings both in-person and online
- Write briefings and reports for the European Commission policy and financial officers, and represent the consortium in front of them
- Organize trainings and events (e.g. practitioners workshops, study tours, panel discussions and webinars) across Europe on different topics in creative industries, cluster management, innovation management, e-learning, ICT, and knowledge based industries
- Identify new innovative sectors and drafting new project proposals concerning the internal innovation strategy, budget included
- Moderate workshops with participants coming from different sectors and having various backgrounds, and hold lesson for the “Taiwan Summer School of public Sector” in Konstanz University.
- For FAME project, set up a high level system for coaching creative and innovative companies and increase the financial awareness of the investors on the sector.

EDUCATION AND TRAINING

- 09/2016-present **PhD candidate in Economics** EQF level 8
University of Modena and Reggio Emilia (Italy)
- Thesis title: “Efficiency allocation of EU movers and Third Country Nationals in the European Union”
- 09/2010–07/2012 **Master of Science in Economics (top marks)** EQF level 7
UPEC and University of Turin, Paris and Turin (France and Italy)
- International double master degree; in the first year focus on regional development, institutions and evaluation of public policies, urban and regional economic development policy and planning, project management and budgeting. In the second year the emphasis was put on international administration and exchanges, innovation economy, project management, urban and territorial policies

Dissertation on the effects of the fiscal rules in the finances of municipalities in Piedmont region through econometric analyses, and test the presence of local fiscal aggregated effect of the municipalities belonging to the 33 Ambiti di Integrazione Integrati (subregional units created by the so-called territorial regional plan, 2011).

09/2006–07/2010 **Bachelor Degree in Economics**

EQF level 6

University of Turin, Turin (Italy)

Dissertation on the effects of debt relief strategies in HIPCs (supervisor: Elsa Fomero, Ministry of labour in the Monti cabinet)

Erasmus in the Free University of Berlin in 2008.
